1378
HOUSE BILL NO. _____

INTRODUCED BY HON. GLENDA B. ECLEO

EXPLANATORY NOTE

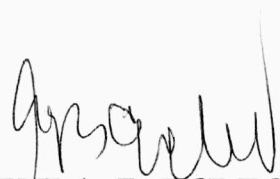

This Bill seeks to establish a Barangay National High School in Barangay Llamera, in the municipality of Libjo, province of Surigao del Norte.

As education is the instrument for the total development of man and the cornerstone for fashioning an enlightened nation, it becomes the primordial duty of government, and the State itself, to make education accessible to all, as it is so mandated under the Constitution.

In the municipality of Libjo, province of Surigao del Norte, the problem since time immemorial has always been the schoolchildren's accessibility to education. The establishment of the Llamera National High School has long been the clamor of the populace of said barangay, the same being far distance from the nearest secondary school of the area. The students coming from the Barangays of Llamera, Benglen, Bayanihan, Boa, Legaspi, Valencia, Rosita and Villa Ecleo, could hardly afford to go to school owing to distance, financial and economic reasons.

It's establishment is, therefore, intended not only to solve the prevailing problem of inability of the children to have access to education but is also consequently in realization of the constitutional mandate making it the duty of the State "to establish, maintain and support a complete, adequate and integrated system of education relevant to the needs of the people and society", "with the end in view of making education accessible to all". (Section 1 & 2 (1) (2), Art. XIV, Constitution).

Hence, immediate approval of this bill is hereby earnestly requested.
