

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Diliman, Quezon City

THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1438

Introduced by
HON. MAURICIO G. DOMOGAN

EXPLANATORY NOTE

This bill seeks to create a science high school in the City of Baguio to be known as the Baguio City National Science High School.

Section 10, Article XIV of the 1987 Constitution states that science and technology are vital components in national development and progress. It is a constitutional mandate of the government for the educational system to prioritize the development of science and technology in the pursuit of global competitiveness.

The City of Baguio, the country's Summer Capital, is a main educational center north of Metro Manila. As such, it desires to contribute to the national effort by fostering a higher level of academic consciousness and professional competence in the field of science and technology.

Enactment of this measure shall certainly enhance the development of Baguio City as a center for science and technology in order to prepare its youth towards an instructional system deeply steeped in the sciences and having stronger roots in technological advances.

Approval of this measure is sincerely exhorted.
