Thirteenth Congress

First Regular Session

HOUSE BILL NO. 1520

Introduced by Honorable Alfonso V. Umali, Jr.

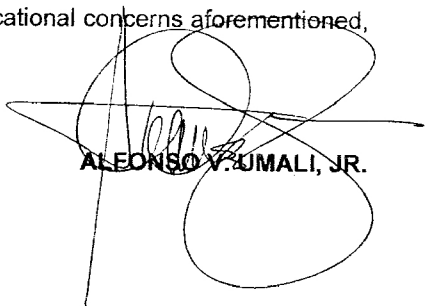

EXPLANATORY NOTE

This Bill seeks the establishment of dangay National high School in Brgy. Dangay, Municipality of Roxas, Province of Oriental Mindoro.

The Constitution mandates that quality education must be provided by the State to all qualified citizens – to the poor and underprivileged in particular. Towards this end, the establishment of a national high school in Brgy. Dangay is a rational solution for many poor families in the area who want their childred to have education in the high school level but are constrained due to the high cost of education in the private centers thereby rendering the enrollment of these students, mostly children of low-income farmers, close to impossible. Furthermore, the two existing high schools in the municipality are not enough to accommodate the increasing number of students who wish to avail of free high school education.

The establishment of Dangay National High School therefore would allow for a siyuation where significant number of poor students of Brgy. Dangay, including those in the neighboring barangays and/or municipality, could get education through the public-school system.

In view of the economic, social and educational concerns aforementioned, earliest passage of this bill is earnestly sought.
