House Bill No. 1534

Introduced by: **Rep. Reynaldo S. Uy, M.D.**

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Buenavista, Municipality of San Jorge, Province of Samar, to be known as the Buenavista National High School.

By reasons of distance and financial constraints, many of the youth in Buenavista and those of the nearby barangays find it difficult to avail of secondary school education after graduating from elementary schools.

With six (6) Feeder Elementary Schools near the proposed school site and with the barangay's growing population, it is important that a national high school be established. This will motivate the youth to go to school and in turn help solve the literacy problem in rural areas. By creating this national high school, the dream of parents in Barangay Buenavista to have an accessible education for their children will be fulfilled.

In view of the foregoing, the immediate approval of this bill is earnestly requested.
