THIRTEENTH C O N G R E S S

First Regular Session
House Bill No. 1726

Introduced by HON. EXEQUIEL B. JAVIER

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Maria, Municipality of Laua-an, Province of Antique.

At present the Municipality of Laua-an has two high schools, one located in the poblacion and the other in Barangay Guisijan. Both high schools accommodate only high school students who reside along the coastal barangays of Laua-an. Most children of high school age in the hinterland barangays of Laua-an do not receive secondary education because of the distance of these barangays to the high schools in the coastal areas of the municipality.

The establishment of this high school in Barangay Maria will answer the need of students in the hinterlands of Laua-an for a secondary education. This school will serve at least twelve (12) barangays with a total elementary enrollment of over 1,000 students. At present, more than eighty percent (80%) of the students do not receive secondary education.

The enactment of this bill will enable students in the twelve interior barangays of Laua-an to have access to secondary education.

Hence, the need for the speedy approval of this bill..
