HOUSE BILL NO. 1772

Introduced by: **REP. PROSPERO A. PICHAY, JR.**

EXPLANATORY NOTE

For more than thirty years, Barangay Parang in the Municipality of Cantilan has prided itself not only as the town's largest barangay but also host to a secondary school which provides quality education to more than five hundred students every year.

The said secondary school is the Parang campus of the Surigao del Sur Institute of Technology (SSIT) which was originally established as Parang Barangay High School in 1965. It was converted to and renamed as Municipal High School of Cantilan in 1976 and subsequently annexed to the Cantilan School of Arts and Trade in 1983 when the latter was converted to what is known today as SSIT.

In spite of its status as a satellite school however, the school continued to suffer financial setbacks and thus relied heavily on the Parents and Teachers Association (PTA) – now Parents, Teachers and Community Association (PTCA) – which has really been the driving force of the school since its inception.

The Commission on Higher Education has been no help at all especially when, in 1996, it directed tertiary institutions to phase down its secondary enrolment to a maximum of 500 students and prohibited those not offering education courses to phase out their secondary school programs.

Such a predicament does not come easy to a secondary school whose students do not come from Barangay Parang alone but from neighboring barangays as well such as Cabas-an, Buntalid, Parang, Bugsukan, Tigabong, Calagdaan and even Patong-patong of the Municipality of Madrid.

In the light of the foregoing, immediate approval of this bill is earnestly sought.
