House Bill No. 1776

Introduced by Honorable Trinidad "Ebbie" G. Apostol

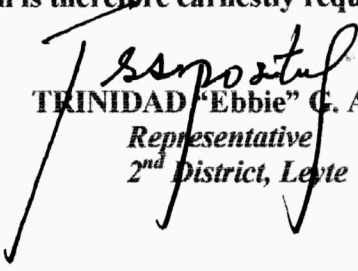

EXPLANATORY NOTE

This Bill seeks to convert the Carigara District Hospital in the Municipality of Carigara, Province of Leyte into an extension of the Eastern Visayas Regional Medical Center, further increasing its bed capacity to two hundred (200) bed hospital, to be known as the Carigara General Hospital.

At present, the Carigara District Hospital as administered by the Provincial Government cannot effectively serve the purpose for which it is intended as the Province of Leyte does not have sufficient funds to upgrade medical facilities and to hire licensed Doctors and Nurses to man the Hospital. Emergency cases have to be attended by the nearest urban center traversing 55 or 65 kilometers to the Cities of Tacloban and Ormoc, unfortunately, some of the patients succumb to death along the way.

It is therefore expected that developing the service capabilities of the Carigara District Hospital by converting it to Carigara General Hospital will mean widened medical support services and improved health care system.

In view hereof, support for this Bill is therefore earnestly requested.
