HOUSE BILL NO. 1814

INTRODUCED BY HON. GLENDA B. ECLEO

EXPLANATORY NOTE

This Bill seeks to covert the Pamosaingan Annex High School in Barangay Pamosaingan, municipality of Socorro, province of Surigao del Norte, into an independent High School to be known as the Pamosaingan National High School.

As education is the instrument for the total development of man and the cornerstone for fashioning an enlightened nation, it becomes the primordial duty of government, and the State itself, to make education accessible to all, as it is so mandated under the Constitution.

The conversion of the Pamosaingan Annex high School into an independent National High School has long been the clamor of the populace of said barangay. It is intended not only to solved the prevailing problem of inability of the children to have access to education but is also consequently in realization of the constitutional mandate making it the duty of the State "to establish, maintain and support a complete, adequate and integrated system of education relevant to the needs of the people and society", "with the end in view of making education accessible to all". (Section 1 and 2 (1), (2), Art. XIV, Constitution)

Hence, immediate approval of this bill is hereby earnestly requested.
