HOUSE BILL NO. 1887

Introduced by **HONORABLE CONSUELO A. DY**

EXPLANATORY NOTE

This bill seeks to upgrade the salary of Education Supervisors I and II from Salary Grades 19 and 20 to Salary Grades 23 and 24, respectively, amending for the purpose the "Compensation and Position Classification Act of 1989"

Education Supervisors plays a vital role in education. They perform several major functions such as training, monitoring and consulting pertaining to the specific instruction program they are handling. The Education Supervisors, apart from rendering their expert and technical services to an average of 25 to 40 school districts and hundreds of teachers and school administrators, they are also doing administrative and other works delegated to them by their Superintendents and Assistant Superintendents.

The protection and promotion of the right of all citizens to quality education is provided for the Constitution. The role of Education Supervisors in ensuring quality instruction cannot be discounted in the State's promotion of quality education. Unfortunately, they are not getting the right compensation for the scope of their work and accountability.

This bill, when finally becomes a law, will boost the morale of the Education Supervisors I and II, and will give them the fair compensation that they deserve.

Immediate approval of this bill is earnestly sought.
