

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

THIRTEENTH CONGRESS
First Regular Session

House Bill No. 1908

Introduced by the **Honorable ROILO GOLEZ**

EXPLANATORY NOTE

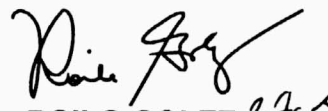

Article XIV Section 14 of the Constitution provides that "the State shall foster the preservation, enrichment, and dynamic evolution of a Filipino national culture based on the principle of unity in diversity in a climate of free artistic and intellectual expression."

Article XIV Section 16 of the Constitution provides that "all the country's artistic and historic wealth constitutes the cultural treasure of the nation and shall be under protection of the State which may regulate its disposition."

It is a known fact that for every foreign performer who graces the local entertainment industry and earns income derived from Philippines sources, a local performer is displaced.

To address this imbalance, the foreign performer should be made to pay a charge, to be known as the Equity Fee, the proceeds of which shall be allocated to the National Commission on Culture and Arts, the extant government agencies charged with promoting arts and culture.

Passage of this measure is earnestly sought.
