THIRTEENTH CONGRESS

1st Regular Session

House Bill No. 1948

Introduced by: HON. SOLOMON R. CHUNGALAO

EXPLANATORY NOTE

This bill seeks to convert the Ayangan National High School – Caba Annex in Brgy. Caba, Municipality of Lagawe, Province of Ifugao into a separate and independent National National High School to be known as Caba National High School.

The conversion and/or creation of the said national high school will appropriately answer the popular clamor and petition of the residents of the area, where majority of the people belong to the very low income group. Sending their children to the nearest high school in the capital town of Lagawe which is nine (9) kilometers away is expensive and stiffly difficult by the parents to fulfill their obligation in maintaining and supervising their children. Such problem has caused big number of student drop-outs from the place thereby leading to another problem of social disturbances.

Hence, approval of this bill is the Government's lasting commitment for the provision of adequate, equitable and quality basic education especially to rural and depressed communities like herein proposed high school establishment.

It is for the foregoing reasons that immediate passage of this bill is earnestly sought.
