

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

13th Congress

First Regular Session

HOUSE BILL NO. 2125

Introduced by Honorable Laurence B. Wacnang

EXPLANATORY NOTE

This bill seeks to establish the a national high school in barangay Nambucayan, in the Municipality of Tabuk, Kalinga, to be known as the Nambucayan National High School. This bill was originally filed in the 11th Congress and again 12th Congress where it reached second reading status in the Senate. However, in both instances, certain events overtook the bill which prevented its progress in the legislation process, hence, it is again filed for the third time in the hopes that it will finally be passed into law.

Barangay Nambucayan is a farming community located on the far side of the municipality of Tabuk. Like the other communities in the municipality, Nambucayan is experiencing an increase in its student population and there has been a strong clamor in the barangay to establish a national high school in their area so that their school-going youth could avail of quality, affordable education without the need to take long, arduous treks to the poblacion where most of the other high schools are located.

A national high school in Nambucayan would also benefit the students living in nearby barangays, for the same reasons stated earlier. Furthermore, the establishment of the Nambucayan National High School would also help de-congest the already crowded high schools in the poblacion.

In light of the foregoing, the passage of this bill is earnestly sought.
