First Regular Session

HOUSE BILL NO. 2128

Introduced by Honorable Laurence B. Wacnang

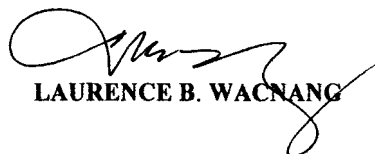

EXPLANATORY NOTE

This bill seeks to establish the Naneng National High School in Barangay Naneng, Municipality of Tabuk, Province of Kalinga. This is a re-filed bill from the 12th Congress which reached second reading status in the Senate. However, it was overtaken by events prevailing during that period which relegated it to pending status until the conclusion of the previous congress.

Barangay Naneng, is the geographical center of the Western Tabuk District, also known as Zone 4. It is largely an agricultural community, like most of the other areas in Tabuk. However, Naneng's student population has grown considerably and the entire Zone 4 is experiencing a shortage of classrooms and other facilities to serve the educational needs of their children.

Being the geographical center, Naneng is deemed to be the most ideal site to establish a new national high school which will relieve the burden from the other schools in the Western Tabuk District. In addition, the proposed national high school is projected to attract students from the neighboring municipalities like Pasil, Lubuagan, Tanudan and Pinukpuk. Furthermore, the school will offer the students another alternative from the more expensive high schools that are located in the distant Poblacion.

In light of the foregoing, the passage of this bill is earnestly sought.
