

Republic of the Philippines

Thirteenth Congress
First Regular Session

HOUSE BILL NO. 2139

Introduced by Honorable Manuel N. Mamba

EXPLANATORY NOTE

This bill seeks to separate the Dassun High School in Barangay Dassun, Municipality of Solana, Province of Cagayan, from the Andarayan National High School, also of the same municipality and the same province and convert it into an independent high school to be known as Dassun National High School.

The Dassun High School is ten (10) kilometers away from its mother school, the Andarayan National High School in Barangay Andarayan, also in the Municipality of Solana, Cagayan. It was established to serve the educational needs of the people in Barangay Dassun and also the nearby barangays, with its enrollment rate growing steadily through the years. But due to its distance from the mother school, the task to monitor efficiently the needs of the school and its students is compromised.

The elevation of the Dassun High School into a separate and independent educational institution will address the need for a more functional and financially stable high school, thus greatly improving and promoting the quality of education of the youth in the area.

Hence, the approval of this bill is earnestly recommended.
