HOUSE BILL NO. 2140

Introduced By Honorable Manuel N. Mamba

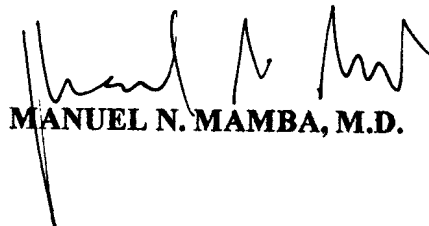

EXPLANATORY NOTE

This bill seeks to convert the Sampaguita-Tamban Provincial Road passing through Piat (1.5 km.), Warat to La suerte in Amulung (4 km.), Warat to Nagsabaran (4 km.), Catarauan (4 km.), Nanuccauan (3 km.), Bayabat (2 km), and Tamban in Alcala (5.610 km.) in the province of Cagayan.

Roads are beneficial to the livelihood of the people in the rural areas because they help transport farm produce to the markets. They are convenient links between the barangay and the poblacion, provide the means by which basic necessities are conveyed to remote places. They ensure, at all times, especially in times of emergency, an available access to the town proper where hospitals, law enforcers, and government agencies are mostly located.

The conversion of the aforesaid provincial road into a national road is response to the clamor of the people expressed sometime ago. If converted, the road will be funded by the national government for its repair and maintenance. It will be of great help to the people in terms of smooth travel and accessibility. Public convenience is definitely assured. Vehicle owners will have no reservation in plying the route since mechanical breakdown are minimized while travelers are assured of convenient travel to their respective places of destination.

In view hereof, the approval of this bill is highly appreciated.
