HOUSE BILL NO. 2144

Introduced by Honorable Manuel N. Mamba

EXPLANATORY NOTE

This bill seeks to separate Bayabat High School in Barangay Bayabat, Municipality of Amulung, Province of Cagayan, from Cordova National High School of the same municipality and province and converting it into an independent national high school to be known as the Bayabat National High School.

The present Bayabat High School is situated in a remote barangay which is a far distance of approximately seven (7) kilometers from the mother school, Cordova National High School. Because of its distance, the attention that is due from a mother school is wanting. The mother school cannot efficiently monitor the needs of the school and its students. Hence, this proposed bill.

The separation of the Bayabat High School from Cordova National High School will give the former the needed funds to carry on the delivery of the best education it could offer to the students of Barangay Bayabat and nearby barangays. With the upsurge of enrollees, it is best to give Bayabat a school of its own to be managed by separate set of officers with corresponding funds.

Early passage of this bill is so sought.
