Thirteenth Congress
First Regular Session

House Bill No. **2160**

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

The livestock and poultry industries are the next source of livelihood of the people of the Second District of the Province of Samar next to farming and fishing. With the vast land that the province has, it is not surprising that livestock and poultry raising are the next convenient source of business in the province.

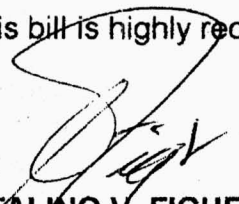

With a small amount of capital, a small-scale businessman can double his money after selling his initial products. And it goes on until he reaches his ultimate profit goal.

In these times of rising prices and uncertainty, no one goes wrong with having a business of his own. If trained properly and by handling business with a good vision for profit, these small-scale businessmen can go a long way.

The fact that a lot of big time entrepreneurs in livestock and poultry started with just backyard businesses should be enough inspiration for others to follow suit. Everyone dreams of making good in business. Let us share this dream to the lowly *Samarnon* who wishes to uplift the standard of living of his family.

By establishing training centers in the 16 towns of the second district of Samar namely: Basey, Calbiga, Catbalogan, Daram, Hinabangan, Jiabong, Marabut, Motiong, Paranas, Pinabacdao, San Jose de Buan, San Sebastian, Sta. Rita, Talalora, Villareal and Zumarraga, this dream of those who want to become successful businessmen will come into fruition.

It is in this light that the approval of this bill is highly recommended.
