THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2182

Introduced by
Hon. Samuel M. Dangwa

EXPLANATORY NOTE

This bill seeks to convert the Sinipsip National High School Extension in Barangay Bangao, Municipality of Buguias, Province of Benguet into an independent National High School to be known as the Bangao National High School.

Established two years ago as an immediate solution to the parents' problem of where to send their children for secondary education, this extension was made to absorb students not admitted by the Buguias-Loo Polytechnic College due to the abolition of its High School Department as a result of the latter's integration with Benguet State University.

Since there are no existing Public High Schools near the barangay, the parents thought of appealing to the Dep-Ed, Benguet Division to open the extension as an immediate solution.

However, it is beyond the expectation of the parents concerned and Dep-Ed that children from around the adjacent barangay would flock to this school. With this situation, plus the fact that the Teachers in said school are PTCA paid, there is a need to convert this extension school into an independent High School in order to insure its yearly needed budget and remove the teachers' situation of being in limbo as regards their status.

Hence this bill.
