THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2183

Introduced by Honorable Samuel M. Dangwa

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Loo, in Municipality of Buguias, Province of Benguet to be known as the Loo National High School.

Considered as the educational center in Northern Benguet, Barangay Loo is where the famous Buguias School of Arts and Trade is situated. This school was later on converted into an agro-industrial school and that during its several decades of existence, it opened its doors to school children not only of Northern Benguet but also to school children in western part of Ifugao, Mt. Province, and the hinterland of Ilocos Sur. Its conversion into a college in 1994 with a High School department all the more became a great relief to the people of the places concerned as their children after high school need not leave the premises for a college education.

However, the college integration under the Benguet State University has greatly affected its High School Department as accommodation became limited. As a solution, the authorities of Buguias National High School put up an extension in Barangay Loo but the same cannot cope up with the increasing number of school children. This thus calls for the establishment of a separate National High School in said Barangay.

Approval of this bill is, therefore, urgently requested.
