HOUSE BILL NO. 2184

Introduced by Hon. Samuel M. Dangwa

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Lubas, Municipality of La Trinidad, Province of Benguet to be known as the Lubas National High School.

One of the major thrusts of the Government as mandated by the constitution is the promotion of education with emphasis on the offering of free secondary education. Although Barangay Lubas is near the town where public and private secondary schools are located, it is, however, separated by the Balili River and is accessible only through hanging bridges. This makes it difficult for school children from the Barangay to regularly attend their classes especially during the rainy season.

For this reason, and coupled with the yearly increase of school children in both public and private schools in the municipality which accounts for the non-accommodation of many of the school children from this Barangay, the residents with support from the Barangay and the Municipal officials are one in working out for the establishment of a National High School in said Barangay. Hence, this bill.
