THIRTEENTH CONGRESS

First Regular Session

2185

HOUSE BILL NO. _____

Introduced by Hon. Samuel M. Dangwa

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Poblacion, Municipality of Tuba, Province of Benguet to be known as the Poblacion Tuba National High School.

The Poblacion of Tuba is located about five kilometers south of Baguio City with Agriculture as the main industry. During the last two decades, however, it has slowly metamorphosed into a commercial and industrial hub. Today, Poblacion, Tuba is host to several housing subdivisions, and business establishments. The rise of commercial activities coupled with the upsurge of human population has indeed made Poblacion, Tuba a thriving community.

Lacking, however, in the Barangay's social and economic growth is the aspect of education. The absence of a public Secondary School has been hardly looked into perhaps due to its proximity to the City of Baguio where several public secondary schools are located and where school children from the Barangay could easily flock to. This situation that has been obtaining for several decades may not be true at present, thus, the need to establish a secondary school in the Barangay.

Approval of this bill, is, therefore, humbly urged.
