THIRTEENTH CONGRESS
First Regular Session

House Bill No. 2249

INTRODUCED BY HON. ERICO BASILIO A. FABIAN

EXPLANATORY NOTE

This Bill proposes to establish a national high school at Barangay **Talon-Talon, Zamboanga City**, to be named **Talon-Talon National High School**.

It was originally filed on July 25, 2002 by former Zamboanga City Representative Celso L. Lobregat as H.B. 5033. However, the House was unable to act upon it in the last Congress.

The creation of a national high school at Barangay Talon-Talon, Zamboanga City, which is situated approximately 5 kilometers ~~east~~ of the city proper, is aimed to provide those of high school age in the community an opportunity of a high school education, which is in accordance with the Constitution, which provides that the State shall "protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all" (Art. XIV, Sec. 1) and further that the State shall "establish and maintain a system of free public education in the elementary and high school levels." [Art. XIV, Sec. 2(2)].

Without a national high school at Barangay Talon-Talon, many of the youths of high school age in the area will not be able to secure for themselves a secondary education, considering the distance of their barangay to the city proper, where the main high school is located, coupled with the difficulty of parents to cope up with the high cost of education outside of the barangay due to the expenses involved, particularly, transportation and food. Hence, the need to establish a national high school at Barangay Talon-Talon, Zamboanga City.

In view of the above, approval of this Bill is requested.
