House Bill No. 2255

Introduced by: HON. SOLOMON R. CHUNGALAO

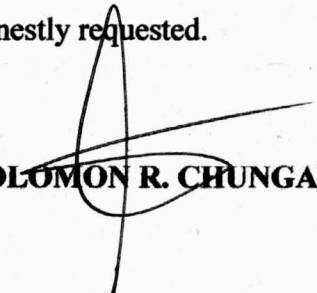

EXPLANATORY NOTE

This bill seeks to establish a national high school in barangay Danggo, Municipality of Tinoc, Province of Ifugao, to be known as the **Danggo National High School**.

Barangay Danggo and its neighboring barangays are geographically located in a place wherein no access roads connecting each barangay are found except pathways which only the community people and domesticated animals can be able to pass. Hence, barangay Danggo, being the center of all neighboring barangays located therein is very convenient for walking distance from the neighboring sitios and other barangays nearest to it thus it is suitable site for establishment of a national high school. In fact, there was an available site reserved by the local government units concerned particularly at barangay Danggo intended for the establishment of the same.

The only existing national high school in the municipality is the Tinoc National High School found at the poblacion which number of student enrollees keep increasing per school year. It is located fifteen (15) kilometers from the proposed site and therefore it is always been the big factor of students drop-outs coming from said locality, not only because of such distance but because of the fact that there was absolutely no access to vehicular road and virtually isolated. The people in the area depend largely on farming and gardening as their means of livelihood and could hardly afford to send their children to pursue high school education even at the poblacion. Hence, it warrants a real and urgent need for a high school establishment in the area.

Premises considered, approval of this bill is earnestly requested.
