HOUSE BILL NO. 2319

Introduced by: **HONORABLE VINCENT J. GARCIA**

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Paradise Embac, Paquibato District in Davao City to be known as the Paradise Embac National High School.

The establishment of the Paradise Embac National High School is in response to the request of the parents and children who are very eager to have a secondary school. They believe that education is their best tool towards individual enhancement and economic progress. The establishment of a secondary institution in the area would ensure them of such achievements. It will also be of great assistance to parents and residents of Barangay Paradise Embac as they would no longer worry about sending their children to other barangays to study with the incidental expenses and the safety of their children.

This measure is also in line with the constitutional mandate of "giving priority to education, science and technology, arts, culture and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development." Hence, its approval is earnestly recommended.
