House Bill No. 2348

Introduced by: **Representative Renato J. Unico, Jr.**

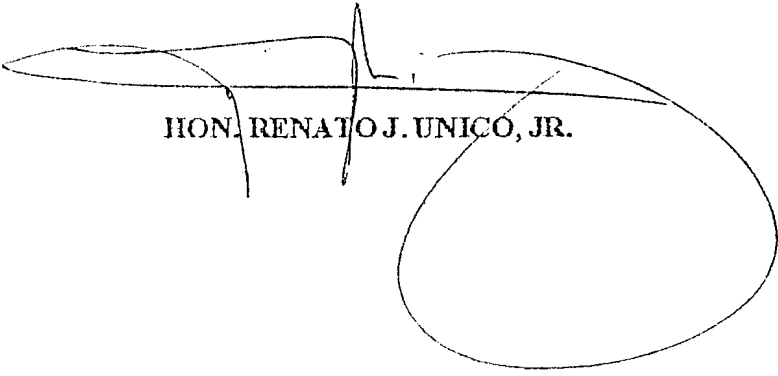

EXPLANATORY NOTE

This bill seeks to convert the Pag-asa High School (Tulay na Lupa National High School Annex) located in the Municipality of Labo, province of Camarines Norte, into a National High school to be known as the Pag-asa National High School.

Pag-asa High School has been providing quality and accessible education to all, it has been operational since 1994 as an extension school of Tulay na Lupa National High School which is 24 kms. away. Considering the presence of eight (8) feeder elementary schools in nearby barangays which will be there source of students, the probable number of enrollees will surely rise in the coming years.

Upgrading the status of the said high school will enable it to improve its facilities and equipments which will be sufficient enough to meet the demands of the school operations.

In view of the foregoing consideration, the early approval of this bill is highly and earnestly recommended.

HON. RENATO J. UNICO, JR.
