

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2359

Introduced by Representative Faysah RPM Dumarpa

EXPLANATORY NOTE

As mandated by the Constitution, the state recognizes the vital role of communication and information in nation-building. One aspect believed to empower our people and to render them globally competitive is to enhance the level of computer literacy in the countryside and to hopefully produce competitively capable computer specialists and technicians.

Lanao del Sur, one of the twenty depressed provinces in the country whose development has been hampered by endless calamities, both natural and man-made, is very much devoid of the fruits of computer-information technology. In this light, it is my fervent desire that my constituents should not be lagged behind. Thus, the rationale in establishing a computer and technology center in the City of Marawi is to realize the nation's objective of producing well-trained human resource, equipping people with the necessary computer and technical skills, making them cope with world standards vis-à-vis computer technology.

With this, your earnest support for the passage of this Bill is sought.

FAYSAH RPM DUMARPA

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2359

Introduced by Representative Faysah RPM Dumarpa

AN ACT
ESTABLISHING A COMPUTER TECHNOLOGY TRAINING
CENTER IN THE CITY OF MARAWI AND APPROPRIATING
FUNDS THEREFOR

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

Section 1. There shall be established a Computer Technology Training Center to be located in the City of Marawi.

Section 2. The amount necessary for the implementation of this Act shall be charged against the appropriations of the Department of Education and the Commission on Higher Education under the current General Appropriations Act. Therafter, such sum necessary for the maintenance and operation of said center shall be included in under the annual General Appropriations Act.

Section 3. The Department of Education in coordination with the Department of Science and Technology (DOST) shall issue the pertinent rules and regulations to implement this Act.

Section 4. Effectivity. This Act shall take effect upon its approval.

Approved,
