HOUSE BILL 2396

Introduced by **HON. ABDULLAH D. DIMAPORO** and **HON. ALIPIO CIRILO V. BADELLES**

EXPLANATORY NOTE

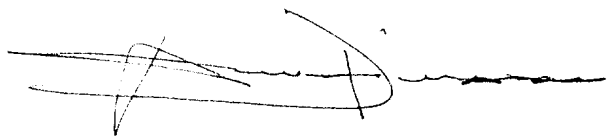

This Bill seeks to convert the Lala-Salvador-Tubod Road in Lanao del Norte to a National Highway.

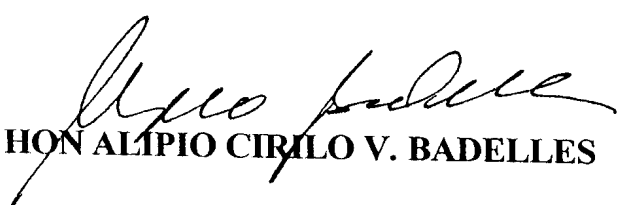

Lanao del Norte is important to the development of Mindanao. It is the land bridge between the Zamboanga Peninsula and the main part of Mindanao. It hosts various hydro power stations along the Agus River, which generate from substantial part of the backbone of the Mindanao electricity grid. Peace and order must be maintained in the Province, to assure the free flow of trade and the safety of its hydro power stations.

In order to maintain and strengthen peace and order in the Province, its development must be supported.

Improving the network of roads within the Province will improve its rate of development.

Thus, the immediate passage of this bill is highly recommended.
