THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2423

Introduced by HON. AMADO T. ESPINO, JR.

EXPLANATORY NOTE

This measure seeks to establish a national high school in the Municipality of Urbiztondo, Province of Pangasinan to be known as the Urbiztondo National High School, in response to the acute need of a public secondary school in the said municipality. Presently, students of Urbiztondo have no choice but to enroll in private high schools.

Education is one of our most valued treasures. Unfortunately, accessibility to educational institutions remains elusive, especially for the poor and marginalized, as long as the government is unable to provide opportunity for affordable and quality basic education.

The establishment of national high schools in localities where there is none would address the growing clamor of most Filipinos for basic education that they can utilize to improve their lives.

In line with his premise, the establishment of the Urbiztondo National High School would serve the barangays that are proximate. The families of these barangays stand to benefit from such establishment inasmuch as this will enable them to save time, money and effort in sending their children to high school.

The early passage of this measure is earnestly sought.
