HOUSE BILL NO. 2434

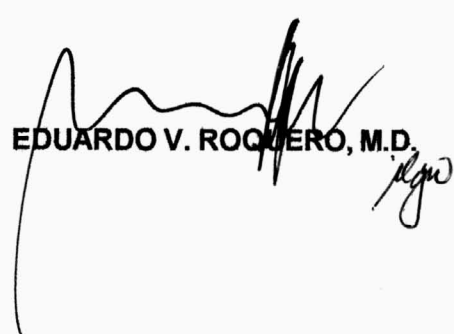

Introduced by Honorable Eduardo V. Roquero, M.D.

EXPLANATORY NOTE

This bill seeks to establish a district office of the Land Transportation Office (LTO) in the City of San Jose Del Monte, Bulacan.

With the total population of more or less 450,000 and considering the abnormal growth of its population due to the relocation activities by the national government, and as the exit city in the northern part of the National Capital Region, the establishment of an LTO office in the City of San Jose Del Monte, Bulacan is very imperative. Its establishment is very beneficial not only to the San Joseños but likewise to the citizenry of Norzagaray, Sta. Maria and other neighboring municipalities in the province of Bulacan, because it will provide convenient access to processing and renewal of drivers license and more importantly the registration of motor vehicles.

It is in this premise, that the approval of this bill is earnestly urged.
