House Bill No. 2473

Introduced by Honorable Uliran T. Joaquin

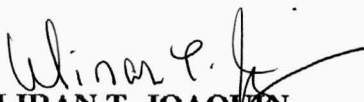

EXPLANATORY NOTE

This bill seeks to separate San Pedro Relocation Center National High School Cuyab Annex (SPRCNHS-Annex), located at Cuyab, San Pedro, Laguna from the main San Pedro Relocation Center National High School (SPRCNHS) at Barangay United Bayanihan, San Pedro, Laguna to be named as Cuyab National High School.

We all know that it is the policy of the State to give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development. The State shall also have to protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. The State shall also have to establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society.

For the past several years, SPRCNHS-Annex has increased its number of enrollees. Its population is composed mostly of low-income earners who cannot afford to send their children to nearby private schools or distant government educational institutions. Properly educated children are the only hope of parents in Barangay Cuyab, as well as that of the neighboring barangays to improve their standard of living.

In consonance with the constitutional mandate to promote the right of all citizens to quality education at all levels and to take appropriate steps to make such education accessible to all, approval of this Bill is earnestly sought.
