THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2481

Introduced by REP. DANILO P. LAGBAS

EXPLANATORY NOTE

The establishment of **Murallon National High School** is a need long dreamed for by the people in Gingoog City. It is a public knowledge that the parents in the interior barangays barely could send their children to school because of its spiraling cost brought about by the distance of the school from their residences. The establishment therefore of the said school will certainly serve the parents and the students not only from this barangay but also from its neighboring areas.

Congress wanted to address situation like this one the reason for the passage of the "Free Secondary Act of 1988". Clearly, the solution for such a persisting problem was not enough. The people need this school's establishment.

It is for this reason that approval of this bill is earnestly sought.
