HOUSE BILL No. 2525

Introduced by: **HON. HERMINIA M. RAMIRO**

EXPLANATORY NOTE

This bill seeks to convert the provincial road, which stretches from the Municipality of Bonifacio to the Municipality of Don Victoriano, all in the province of Misamis Occidental to a national road.

The said provincial road serves as a vital link to the different municipalities in the province of Misamis Occidental. However, the deteriorated condition of this important road artery is mainly attributable to the inadequacy of funds for the upgrading, rehabilitation and year-round maintenance by the provincial government. This situation therefore made the transportation of agricultural products difficult and expensive.

The traveling public in this area had been clamoring for the conversion of this provincial road into a national road to make this route not only convenient and comfortable but less expensive.

There is an urgent need therefore to convert this provincial road to a national road to continuously make it as a vital route to be properly maintained by the national government for the great benefit of the people, particularly the poor residents in these remote areas.

In view of the foregoing reasons, the approval of this bill is earnestly sought.
