

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Philippines

Thirteenth Congress
First Regular Session

HOUSE BILL NO. 2552

Introduced by Honorable Eduardo V. Roquero, M.D.

EXPLANATORY NOTE

The National road of Quirino Highway passing through Barangay Tungkong Mangga of the City of San Jose Del Monte in the province of Bulacan is considered to be an alternative exit in the northern part of the National Capital Region. It is also the prime exit of development in the congested area of the Metro Manila, passing through the exit Sta. Maria and other exit onwards to North Luzon Expressway.

The intersection in Barangay Tungkong Mangga to Westbound is the prime road going to Sta. Maria, Bulacan exit through the well-known Grotto of the City of San Jose Del Monte, which is a busy area specially in Sundays and religious holidays as the center of catholic believers in the different areas of Metro Manila. The Northbound is also the prime road going to Sapang Palay, Norzagaray and other neighboring areas of the Province of Bulacan.

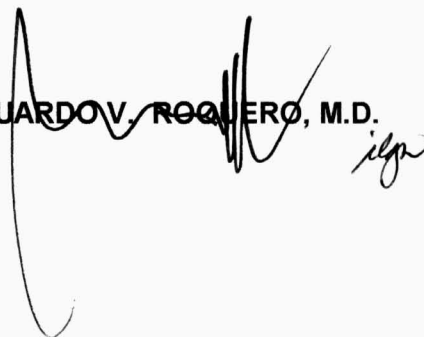

It is of the utmost concern of the Department of Public Highways and other governmental institution to provide the best solution of traffic congestion in the said intersection of Tungkong Managa, but due to non-availability of the right of way, the concerns of said traffic congestion remains to be the problem of our constituents and other passersby of the said intersection.

Hence, this representation considers it of utmost necessity that major and national roads shall benefit the majority of our citizenry, the construction and maintenance of Tungkong Mangga – Quirino Highway Flyover shall serve as the only

alternate solution on the problem of the right of way that hinders the purpose of providing convenience and safety of the commuters.

In view thereof, the approval of this bill is earnestly urged.

EDUARDO V. ROQUERO, M.D.
