Thirteenth Congress

HOUSE BILL NO. 2586

Introduced by the Honorable Generoso DC. Tulagan

EXPLANATORY NOTE

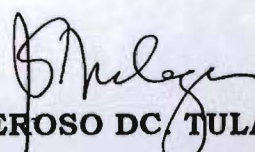

This bill seeks to establish a district office of the Land Transportation Office (LTO) in the City of San Carlos, Province of Pangasinan.

At present, the building housing the LTO office is on a leased residential house, now in an old dilapidated state and no longer suitable for office purpose. Since the LTO is a potent income-generating agency of the government and its purpose is not only to serve the needs of the public but also with the duty to assure the public that it is served in a conducive atmosphere giving regards to safety, accessibility and comfort, therefore it necessitate the construction of an LTO building in the locality.

It is therefore, being proposed that an LTO Office be established in Barangay Pagal, San Carlos City. The place is strategic and most appropriate considering that Barangay Pagal is the proposed future site for new commercial centers and government offices like the court of justice, the PNP building to name a few.

A new LTO building will likewise serve the needs of the Third District as well as the neighboring towns of the 2nd and 5th District of Pangasinan.

Approval of the bill is earnestly sought.
