

Republic of the Philippines
HOUSE OF REPRESENTATIVES

THIRTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 2592

Introduced by Representative IGNACIO T. ARROYO

EXPLANATORY NOTE

Article XIV Sec. 2 of the 1987 Constitution mandates the state to " establish, maintain and support a complete, adequate and integrated system of education relevant to the needs of people in the society. It also mandates a system of of true public education in the elementary and high schools levels.

In the Municipality of Binalbagan, Negros Occidental there exists an urgent need for a secondary school in Barangay Enclaro , Binalbagan, Negros Occidental as an extension of Paglaum National High School, considering the fact that the Negros Occidental School of Fisheries (NOSOF) is now a branch of the CARLOS HILADO MEMORIAL STATE COLLEGE (CHMSC).

Such phase-out plan will adversely affect 500 secondary school students , since that the NOSOF secondary program is serving thickly populated barangays such as Enclaro, Cnmoros and Aguisan.

The creation of a barangay high school in Enclaro as an extension of the Paglaum National High School, shall therefore answer the demand of the constitutional mandate for the secondary education of the displaced students in the areas mentioned.

The immediate passage of this bill is earnestly sought.
