HOUSE BILL NO. 2685

Introduced by Representative JESUS CRISPIN C. REMULLA

**AN ACT CREATING A SEPARATE ENGINEERING DISTRICT IN THE THIRD
CONGRESSIONAL DISTRICT IN THE PROVINCE OF CAVITE AND
APPROPRIATING FUNDS THEREFOR.**

EXPLANATORY NOTES

This bill seeks the creation of a separate Department of Public Works and Highways Engineering District in the Third Congressional District of Cavite

Presently, Tagaytay City and the municipalities of Amadeo, Silang, Alfonso, Magallanes, Mendez, Indang, Naic, Maragondon, Ternate and Gen. Aguinaldo which comprises the Third Congressional District of Cavite, together with the municipalities composing the First and Second Congressional District are under the jurisdiction of DPWH Cavite Engineering District.

Pursuant to Section 6 and 25 of Executive Order No. 124 dated 30 January 1987 and the issuance of DPWH Department Order No. 116 series of 1999, a DPWH Sub-District Engineering Office in the Third Congressional District of Cavite was created to serve the needs of Tagaytay City, and the municipalities of Amadeo, Silang, Alfonso, Magallanes, Mendez, Indang, Naic, Maragondon, Ternate and Gen. Aguinaldo. However, administrative and fiscal control over the newly created Sub-District remains with the Engineering District.

To attain efficiency in the implementation of infrastructure projects and facilities, a separate Engineering Office is needed more than ever, not only to maximize the productivity of the major projects, but also to ensure that the additional infrastructure needs of the District will be met to sustain the current economic development being experienced by the Third Congressional District of Cavite.

For the above-stated reason, the approval of this Bill is earnestly requested.
