13TH CONGRESS

First Regular Session

HOUSE BILL NO. 2697

Introduced by **HON. ANTONIO C. ALVAREZ**

EXPLANATORY NOTE

This bill seeks the establishment of a national high school in Barangay Liminangcong, Municipality of Taytay, Province of Palawan, to be known as the Liminangcong National High School.

Liminangcong is one of the biggest barangays in the Municipality of Taytay both in terms of land area and population. With a thriving fishing industry brought about by its proximity to the Malampaya Sound, it is also one of the most progressive communities in Northern Palawan with its own port that can accommodate big fishing boats as well as inter-island passenger and cargo vessels.

Although there are several elementary schools that are operating in the area, all these years, Liminangcong has never had a national high school where the youth of Liminangcong and other adjoining barangays can acquire secondary education. Many of them have to study in the nearest public school in Barangay Poblacion which is several kilometers away, while the majority have chosen not to study anymore.

The creation of a national high school in this progressive community shall therefore remedy this situation and give the youth of Liminangcong and nearby barangays a chance to secure a better future.

In view of the foregoing, the immediate enactment of this bill is earnestly sought.
