“AN ACT SEPARATING THE CALATRAVA NATIONAL HIGH SCHOOL - LAGA-AN EXTENSION IN BARANGAY LAGA-AN, CALATRAVA, NEGROS OCCIDENTAL FROM CALATRAVA NATIONAL HIGH SCHOOL TO BE KNOWN AS THE LAGA-AN NATIONAL HIGH SCHOOL, AND APPROPRIATING FUNDS THEREFOR”

EXPLANATORY NOTE:

Quality education is a must to everyone. But it is imperative that our government must lead in the provision of the same, especially in the countryside. Otherwise, some of our constituents will be left behind.

It is a long acknowledged fact that education propels our socio-economic status. And being driven by this conviction, the author is confident that the introduction of this separate and independent national high school will uplift the lives of the people in the recipient community.

The Calatrava National High School – Laga-an Extension exists for about Fifteen (15) years. Currently, it has a population of Three Hundred Fifty (350) students, with Eleven (11) teaching staff and personnel, utilizing the Nine (9) schoolrooms.

To advance the educational need of the subject constituents, the separation and establishment of an independent **Laga-an National High School**, being one of those enshrined by our fundamental law: that education must be made available to all, this action is undertaken.
