HOUSE BILL NO. 2708

Introduced By: HON. MAURICIO G. DOMOGAN

EXPLANATORY NOTE

Filed originally in the 11th and 12th Congresses, this bill intends primarily to modernize, accelerate, promote, and develop an integrated national railway system in order to provide and maintain an adequate, efficient, inexpensive, convenient and reliable public transport system adapted and responsive to the needs of the general public for the socio-economic development of this country.

The major purposes of this bill are as follows:

1. To create the national Railways Authority(NRA) which shall formulate and adopt a doable comprehensive national railway development plan, policies and programs, and shall implement the same according to a schedule of priorities consistent with the needs and available resources. The NRA shall control, develop, construct, operate and maintain railway facilities, including parking stations and terminals for freight, goods and cargoes.

2. To allow the NRA, in coordination with government agencies to undertake comprehensive studies for the rehabilitation and/or construction., but not limited to, such railway lines extending from San Fernando, La Union to Laoag, Ilocos Norte; from Laoag, Ilocos Norte to Metro Manila passing through Cagayan, Isabela, Nueva Vizcaya, Nueva Ecija and Bulacan; southline rail extension from Comun, Camalig, Albay to Matnog, Sorsogon, through Bulan, Sorsogon; a Libmanan-Daet line; a railway line from Iloilo City to Roxas City in Panay; and a line from Iligan City to Cagayan de Oro City in Mindanao.

3. To allow the NRA to vest powers exercised by a Board of Directors composed of seventeen (17) members to be appointed by the President of the Philippines. The general conduct of the operations and management of the Authority shall be vested in a President who shall serve as the Chief Executive Officer primarily responsible for carrying out the programs of the NRA and the policies promulgated by the Board.

4. To abolish the Philippine National Railway (PNR) , the Light Rail Transit Authority(LRTA), and the Metro Rail Transit Authority(MRTA), and their powers and functions. The balance of appropriations and all applicable funds, records, assets and property shall be transferred to and absorbed by the NRA. Furthermore, the NRA shall succeed to all rights and assume all contracts and liabilities of the abolished agencies, in accordance with the Auditing Code and other pertinent laws, rules and regulations. Likewise, the existing qualified personnel of the PNR, the LRTA and the MRTA shall be absorbed by the NRA, provided that the incumbents whose positions are not included in the organization of the NRA or who are not reappointed thereto shall be deemed separated from the service or retired under existing laws.

5. To give the initial amount necessary for the operation of the NRA which shall be taken from the existing appropriations of the agencies herein abolished.

It is high time to give a cheaper and inexpensive system of land travel that would allow greater mobility more particularly to the common people of this country. The railway network will hasten progress and development in the countryside as it will stimulate an increase in commercial activities in the areas where the NRA would operate.

Considering the above reasons, we request immediate approval of this bill.
