THIRTEENTH CONGRESS
First Regular Session

House Bill No. **2721**

Introduced by **Honorable PEDRO M. PANCHO**

EXPLANATORY NOTE

The Sullivan High School in Barangay Sullivan, Baliuag, Bulacan has been in operation for the last seven (7) years. An extension of the Mariano Ponce High School, Sullivan High School now, has one thousand seven hundred (1,700) student population. With this big number, it is very difficult to be handled by one principal. It is about four kilometers away from the Mariano Ponce High School.

Parents of the students requested that the Sullivan High School be a separate and a distinct entity independent from its mother unit. This will enable them to have their own budget and support from the Department of Budget and Management; formulate and implement their own policies; promulgate their own campus rules and regulation; and preclude unnecessary consultations which delay the actions to be taken. In short, separation will result to an efficient and effective school administration.

Accordingly, approval of the attached bill is requested.

2nd District of Bulacan
