THIRTEENTH CONGRESS

First Regular Session

House Bill No. **2725**

Introduced by **Honorable PEDRO M. PANCHO**

EXPLANATORY NOTE

The Masagana High School in Pandi, Bulacan is situated in a site twice the size of a regular campus. The road however, needs to be concreted as it is so rough that parents complain of the mud on the clothes of their children during rainy season. During summer time, the dust is so thick that the residents found it hard to breath. The school children encounter much inconvenience in going school.

The farmers are discouraged by the absence of concrete pavments that could serve as solar dryers for their grain crops. If concreted, the cemeted road would be of great help to the students, farmers and residents.

The problem remains unsolved because of very little attention given. If the roadway is cemented many people will be benefited.

Accordingly, approval of the attached bill is requested.

PEDRO M. PANCHO
