Thirteenth Congress
First Regular Session

House Bill No. 2761

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks to provide for the rehabilitation and repair of the Calbiga River Control in the Municipality of Calbiga, Province of Samar.

Calbiga is one of the growing municipalities in the Province of Samar. The Municipalities of San Sebastian and Hinabangan bound it on the north, on the northwest by the Municipality of Pinabacdao, and on the southeast by the Municipalities of Basey and Marabut. It is blessed by nature with a good climate favorable to agriculture.

A river control project was constructed in the said town for the purpose of protecting the river marine life and the surrounding *barangays* against the hazards of siltation and flood. However, the project is now in a state of disrepair. The municipality lacks the necessary fund for its rehabilitation and repair.

Thus, approval of this bill is highly recommended.
