

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Thirteenth Congress
First Regular Session

House Bill No. 2776

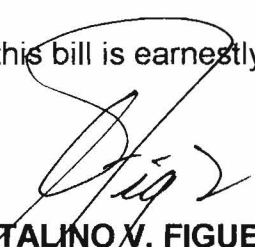

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the construction of a covered auditorium in the Municipality of Calbiga, Province of Samar.

Countryside development is one of the primary concerns of the government. This entails construction of infrastructure and other improvements which shall ensure the upliftment of the economic and social status of rural residents. Although the Municipality of Calbiga is one of the most thickly populated areas in the second district of Samar, it lacks the basic facilities found in other municipalities. Among these is a place where the general public can assemble and convene. The construction of an auditorium is envisioned to provide the residents of the municipality a decent place where they could conduct their social and cultural activities. It can also serve as a place where the municipal officials could hold seminars, conferences and workshops for the information and development of its citizenry.

In view of the foregoing, approval of this bill is earnestly requested.
