House Bill No. 2795

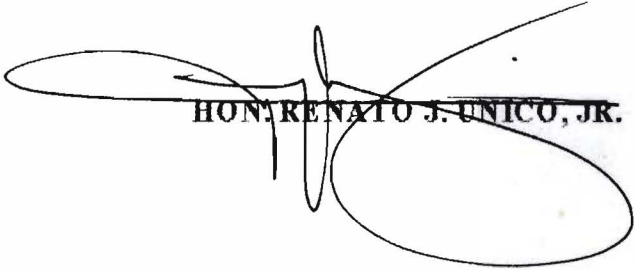

Introduced by **Hon. Renato J. Unico, Jr.**

EXPLANATORY NOTE

While alleviating poverty in all levels of society is the foremost concern of every administration, the delivery of adequate health and medical services to every Filipino is also a way of empowering the underprivileged. To achieve this objective, primary attention should be given to the health needs of the people particularly in the municipality of Sta. Elena, province of Camarines Norte which has no government hospital to cater to the medical needs of the residents therein.

This bill seeks, therefore, the establishment of a 50 bed capacity district hospital especially for the poor residents of the municipality of Sta. Elena, province of Camarines Norte.

In view of the foregoing, approval of this bill is urgently requested.

HON. RENATO J. UNICO, JR.
