House Bill No. 2824

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the conversion of the Villareal feeder road in the Municipality of Villareal, Province of Samar into a national highway.

The said feeder road is the only link of the Municipality of Villareal to the national road, the Philippine-Japan Highway. It is the most convenient and fastest route available to the residents for conveying their produce to commercial centers. The conversion of the Villareal feeder road into a national highway will ensure an inflow of national financial assistance for the improvement and rehabilitation of the road. An improved road system will surely make travel comfortable and enjoyable and will shorten travel time to and from the capital town of Catbalogan and the adjacent City of Tacloban in Leyte.

Hence, the approval of this bill is earnestly requested.
