House Bill No. 2825

**EXPLANATORY NOTE**

This bill provides for the construction of an annex building of the public market at Poblacion, Municipality of Calbiga, Province of Samar.

The existing public market of Poblacion in the Municipality of Calbiga was constructed years ago when the population was still sparse. Since then, economic activities of the locality have enormously increased thus, the said market can no longer accommodate the sellers and consumers alike. The sellers have been forced by circumstance to spread their goods and other commodities for sale along the streets and sidewalks. This has made supervision and control over their good difficult.

The construction of an annex building would promote local commerce and safeguard basic hygiene. Likewise, it will enhance economic development in this fast-growing municipality and its component barangays.

Approval of this bill is highly recommended.
