House Bill No 2832

Introduced by HON. SUHARTO T. MANGUDADATU

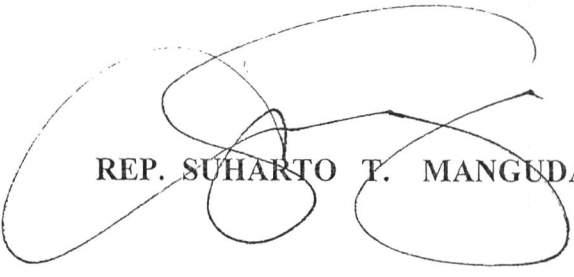

EXPLANATORY NOTE

It is the declared policy of the state to give priority to education to achieve total human liberation and development.

It is therefore imperative to sponsor the immediate conversion of existing extension high schools in order to upgrade their facilities and resources to better equip our students with the knowledge and skills needed to hone their potentials.

The institutionalization of Sangay National High School is also a response to the growing student population in the barangay. This will also cater to students from adjacent and contiguous barangays.

I therefore, appeal for the immediate passage of this bill.
