HOUSE BILL NO. 2860

Introduced by the Honorable Generoso DC. Tulagan

EXPLANATORY NOTE

This bill seeks for the creation and establishment of a bamboo nursery and a distribution center in the City of San Carlos, Province of Pangasinan, for the purpose of intensifying the awareness of the community of the importance of planting bamboo trees as well as its significant potent income generating industry.

In the Third District of Pangasinan, Brgy. Pagal, San Carlos City is known as the business center of the bamboo industry. All bamboo products are centrally manufactured in the barangay thus making the bamboo craft furniture as one of its major products. The many varieties of the tropical woody bamboo trees grows in abundance and the quality of its by products used for building, furniture and utensils is known for its strength, durability and flexibility due to its elasticity of purpose that needs only the imagination and creative mind of the manufacturer.

The proposed bill seeks to provide for the conducive atmosphere to enhance the mass planting of the bamboo trees and to promote the value of production of its by products. The nursery will serve as a supply center of bamboo seedlings for backyard gardening and for large farm production. The accessibility to a nursery, availability and affordability of bamboo seedlings will encourage the nearby municipalities and city to plant and grow bamboos.

Approval of this bill is earnestly sought.
