

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitutional Hills, Quezon City

THIRTEENTH CONGRESS

First Regular Session

House Bill No. 2880

Introduced by Honorable Edmundo O. Reyes, Jr.

EXPLANATORY NOTE

As a prelude, it is important to note that this bill is a reproduction of H.B. 449 which was approved on Third Reading in the 12TH Congress. Considering that the backbone of the country's economic recovery lies in the upliftment of the quality of life of rural masses, basic infrastructure services like roads play a very important role.

The Punong-San Isidro-Botilao Road and the Dinahunan Road connecting the Municipalities of Sta. Cruz and Mogpog are in deplorable condition. Farmers, traders and other rural entrepreneurs are having difficulty in traveling through these roads.

The conversion of these roads into national road will greatly ensure their repair, asphaltting and regular maintenance, thus, eventually promoting easier and better transportation and communication in the island province of Marinduque. More importantly, it will facilitate and bring about new opportunities for socio-economic improvement.

The approval of this bill, therefore, is earnestly recommended.
