

Republic of the Philippines
HOUSE OF REPRESENTATIVES

Thirteenth Congress
First Regular Session

House Bill No. 2934

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks for the construction of a concrete bridge in *Barangay* Logero, Municipality of Marabut, Province of Samar.

At present, the residents of *Barangay* Logero are using a makeshift bridge in going to neighboring *barangays* and the town proper. This situation makes it very dangerous for motor vehicles to negotiate the bridge in going to the *barangay* especially during rainy months. Oftentimes, during this season, *Barangay* Logero cannot be reached because the makeshift bridge has to be closed as a precautionary measure. Thus, the *barangay* is often isolated from its neighboring places resulting to its low revenue income and slow progress. The construction of an all-weather concrete bridge to link the said *barangay* to its neighboring communities will increase its social and economic development.

Hence, the approval of this bill is earnestly recommended.
